

Apology for Mistake with Display of National Flag and Position of Regional Flag

On 19 October, 2021

We would like to offer our deepest apology that our staff had made a mistake when displaying the National Flag and the Regional Flag on Tuesday 19 October, 2021, as a result of which the former was improperly displayed and the latter was in the wrong position caused by malfunctioning of the flag pole.

After learning of the mistake, the school took immediate actions to rectify the situation and arrange for repair of the flag pole. The incident is being seriously dealt with by the school management, and steps to be taken include a thorough investigation, follow-up improvements and enhancement of staff training and supervision, to prevent any re-occurrence in the future.
